Notes to the Financial Statements for the Year Ended 31 March 2025

1. STATUTORY INFORMATION

Upper Tweed Community Enterprise Limited was registered on 21 December 2018 with the Financial Conduct Authority as a society for the benefit of the community.

COMMENCEMENT OF TRADING

Following the purchase of Broughton Village Store the Society commenced trading on 22 June 2019.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Co-operative and Community Benefit Societies Act 2014. The financial statements have been prepared under the historical cost convention.

Revenue

Turnover represents monies received (excluding value added tax) from shop sales and other activities.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Land and buildings	- 4% on cost
Plant and machinery etc	- 25% on reducing balance

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of tangible assets, the depreciation is revised prospectively to reflect the new estimates.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in capital and reserves, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as result of revaluation is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in capital and reserves in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in capital and reserves in respect of that asset, the excess shall be recognised in profit or loss.

Impairment

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

When it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

2. ACCOUNTING POLICIES - continued

Financial instruments

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Basic financial assets, which include debtors, cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities including trade creditors and loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Provisions

Provisions are recognised when the entity has an obligation at the reporting date as a result of a past event; it is probable that the entity will be required to transfer economic benefits in settlement and the amount of the obligation can be estimated reliably. Provisions are recognised as a liability in the statement of financial position and the amount of the provision as an expense.

Provisions are initially measured at the best estimate of the amount required to settle the obligation at the reporting date and subsequently reviewed at each reporting date and adjusted to reflect the current best estimate of the amount that would be required to settle the obligation. Any adjustments to the amounts previously recognised are recognised in profit or loss unless the provision was originally recognised as part of the cost of an asset. When a provision is measured at the present value of the amount expected to be required to settle the obligation, the unwinding of the discount is recognised in finance costs in profit or loss in the period it arises.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 8 (2024 - 8).

4. GRANT INCOME

Grant Funder	Grant Purpose	2025	2024
Scottish Borders Council	Village hall conversion	1,507	5,070

on the Unaudited Financial Statements of
Upper Tweed Community Enterprise Limited**

INDEPENDENT ACCOUNTANT'S REPORT TO THE MEMBERS OF UPPER TWEED COMMUNITY ENTERPRISE LIMITED

We report on the financial statements of the Society for the year ended 31 March 2024. This report is made solely to the members as a body. Our reporting work has been undertaken so that we might state to the members those matters we are required to state to them in an independent accountant's report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the Society and the members as a body, for our work, for this report, or for the opinion we have formed

RESPECTIVE RESPONSIBILITIES OF MANAGEMENT COMMITTEE AND THE INDEPENDENT ACCOUNTANT

The Management Committee is responsible for the preparation of the financial statements and they consider that an audit is not required by law for this period. It is our responsibility to carry out procedures designed to enable us to report our opinion.

BASIS OF THE INDEPENDENT ACCOUNTANT'S OPINION

Our work was conducted in accordance with the Statement of Standards for Reporting Accountants. Our procedures included a review of the accounting records kept by the Society and a comparison of the financial statements presented with those records. It also included consideration of any unusual items or disclosures in the financial statements, and seeking explanations from the Management Committee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required for an audit, and consequently we do not express an audit opinion on the view given by the financial statements.

INDEPENDENT ACCOUNTANT'S OPINION

In our opinion:

- (a) the financial statements are in agreement with those accounting records kept by the Society under section 75 of the Co-operative and Community Benefit Societies Act 2014.
- (b) having regard only to, and on the basis of, the information contained in those accounting records, the financial statements have been drawn up in a manner consistent with the accounting requirements of the applicable legislation, and,
- (c) the Society satisfied the conditions for exemption from an audit of the financial statements for the period specified in section 84 of the Co-operative and Community Benefit Societies Act 2014 and did not at any time within that period fall within any of the categories of societies not entitled to the exemptions specified in section 84(3) of the Co-operative and Community Benefit Societies Act 2014.
