

THIRD SHARE ISSUE

Upper Tweed Community Enterprise Ltd Broughton Village Store Community Share Application Form

Between 2019 and 2024 over 300 individuals purchased shares in Upper Tweed Community Enterprise Ltd (UTCE) to the value of £98,450. Alongside substantial grants from Government and commercial entities, these funds provided vital support for the community purchase and later expansion of the village shop in Broughton. **Now we are offering another opportunity** to contribute to this essential local business. Buying shares now will establish a capital reserve that will help protect your community-owned shop in the future. For those that have recently moved to the area, becoming a new shareholder allows the business to identify supporters within the community. Every shareholder is eligible to stand for election to the UTCE Board and has equal voting rights irrespective of the number of shares held. This THIRD share issue is open to everyone over the age of 16, including existing shareholders. The total value of shares held by one individual cannot exceed £8,000. The minimum subscription is one share (£25). Each individual family member or organisation must complete a separate application form.
